

THE SOIL KING EXTREME IS THE ULTIMATE WORK TRUCK IN THE SLINGER MARKET TODAY.

At CanAmerican, we strive to provide only the best and highest quality products. The Extreme equips owners and operators with a unit that will perform far above and beyond anything offered in the slinger market today. With state-of-the-art electronics standard on all units and high performing hydraulics, the Extreme is the answer to all your slinger needs!

SPREADING EXCELLENCE

CONVEYOR SPREADER MODE

- ✓ Throwing distances up to 120 feet.
- ✓ Throw conveyor capable of virtually any angle while spreading.

TRAVEL / LIVE BOTTOM MODE

- ✓ Live bottom offload in as little as 1 minute.
- ✓ Four proximity sensors to protect your operator and equipment.
- ✓ Low center of gravity for the ultimate safe drive.
